ARTICLE VIII Section 3. Assessments. Assessments will be made against the space and its lessee member on the basis of the proportionate share of common expenses allocated to the space. Unless otherwise specifically stated herein, each space will have allocated to it a share which is equal to the share allocated to every other space. The amount of the assessment will be determined annually by the Board of Directors based on the Corporation's determination of anticipated annual expenses. Assessments will be paid annually, in advance for the next succeeding period.

The Board of Directors shall have discretionary power to prescribe the manner of maintaining and operating the Corporation to determine the cash requirements of the Corporation to be paid, as herein provided, by the members. ARTICLE IX Section 1. Lien. In addition to all other rights and remedies of the Corporation pursuant to the Cooperative Documents, the Corporation at all times shall have a lien on the membership owned by each member which shall be superior to all other liens, for all indebtedness and obligations owing and to be owing by such members to the Corporation resulting pursuant to the provisions of the Proprietary Lease held by each member, or otherwise accruing to the Corporation in accordance with the provisions of the Cooperative Documents or otherwise pursuant to law. Unless and until such member is in default in the payment of any assessments or other indebtedness or in the performance of any covenants or conditions pursuant to the Cooperative Documents, such membership shall continue to stand in the name of the member on the books of the Corporation and the member shall be entitled to exercise the right to vote thereon. Such defaulting member shall surrender the same to the Corporation on demand, but the failure of such defaulting member to surrender such certificate shall not affect the validity of the certificate issued in replacement thereof. The lien on the membership shall be subject to enforcement in the manner that the lien on the Proprietary Lease is enforced as set forth in Section 2 below.

ARTICLE IX Section 2. Foreclosure. In addition to bringing an action at law against a member personally, the Corporation may file a lien and foreclosure against the Proprietary Lease and its member in the same manner that mortgages are recorded and foreclosed in the State of Arizona. No member may waive or otherwise escape liability from the assessment provided for herein by non-use of their space or the Corporation.
