WASTEWATER

Sunscape R.V. Cooperative sewage system is connected to a Wastewater Treatment Plant, owned by an independent and separate company. The Plant is designed to create a balance bacteria and micro organisms (bugs). The bugs reduce odors. It is important not to contaminate the system. Therefore, please do not put the following items down the toilet or sink:

1. Paper towels
2. Sanitary wipes
3. Plastic
4. Hygiene products
5. Medications (please bring expired medications to the Welcome Center)
6. Chemicals
7. USE LIQUID SOAPS
