Ambassadors Committee

Background:

The Ambassadors, representing Sunscape RV Park Cooperative were designated as a standing Committee in 2007 by members that expressed a need to “meet and greet” and “welcome visitors and new members to the park”.

Mission:

Their mission is focused on the first-time visitor to the park and new owners. Representatives of the Committee personally welcome the visitors to help them make their visit one they would want to repeat. New owners will be contacted to make them feel welcome in the park.

How the Committee Functions:

- The Committee of twelve (12) volunteers, in addition to, and under the direction of, the Chairperson, makes visits to first-time visitors who stay ten days or longer.
- A packet of information is personally delivered to each visitor and contents reviewed with them.
- Information about the park, the activities in the park, location of amenities, winter visitor emergency cards, pet rules, internet capabilities, maps of the area attractions in the area, and more is included in each packet.
- Visitors are also reminded to review the “911 Emergency information” received from the Welcome Center.
- It is recognized that if a voting member of this Committee be elected to the BOD, it necessitates the resignation of the voting member from this Committee.

Meetings:

The Committee meets monthly, October through March, on the last Wednesday at 11:00 am in the Activity Center Conference Room.
